

Logistics and Supply Chain Management

Course Duration

120 hours +

Course Description

The Cavalry Logistics Workforce Training Initiative is a 10-week, accelerated career development program designed to prepare individuals for high-demand roles in logistics, project management, and supply chain operations.

This program is ideal for transitioning military personnel, veterans, military spouses, and residents of El Paso and surrounding areas. It provides a guided pathway to industry-recognized certifications, job placement assistance, and lifelong career skills.

Certifications Offered

- Lean Six Sigma Green Belt (LSSGB)
- Certified Apprentice in Project Management (CAPM) / Project Management Professional (PMP)
- Certified Logistics Associate (CLA) / Certified Logistics Technician (CLT)

Format

In-person and/or virtual instruction, scenario-based training, practice exams, and soft skills workshops

Curriculum Structure

Weeks 1–3: Lean Six Sigma Green Belt

Weeks 4–6: CAPM / PMP Preparation + Applied Practice

Weeks 7–10: CLA/CLT + Career Readiness
